At JJM Construction we have over 20 years of extensive experience in all aspects of Remodeling, Restoration and Repair of Residential properties. Among other projects, we have completed over a hundred complex remodeling projects of homes prior to sale (flips). Some of the larger projects include kitchen and bathroom remodels, LVP flooring installation, front and rear deck replacements, door and window replacement and numerous inspection report (35R) repair list projects to ensure the sale of the home closes as scheduled. Additionally, we have completed numerous Tenant Improvement Projects of commercial properties. We are proud partners with The American Cancer Society and St Jude's Children's Research Hospital and a portion of all proceeds are donated to support their missions.
